28/1/5/26 Sir,

Instructions

With reference to G. O. No. 106 Law (Education) dated the 25th January 1926, I have the honour to state, that the budget estimates for the year 1926-27 relating to Elementary Education Account was submitted prior to the receipt of the G. O. and therefore the proposals for debiting the cost of the clerks employed for the maintenance of accounts

Budget provision in 1926-27

relating to the Elementary Education Fund etc could not be incorporated in the budget estimates.

2. This Taluk Board in its resolution No 132 dated the 18th July 1925, had resolved to debit half the cost of the Taluk Board Establishment to Elementary Education Account and addressed Government to accord Sanction, but Government in their (I) order G.O. No. R. 364 Law (Education) dated the 5th September 1925, stated that they are unable to entertain the suggestion of the Taluk Board

3 The Taluk Board now in its resolution No 343 dated the 22nd February 1926 sanctioned a schedule showing the designation salaries and allowances of the part of the Establishment, the cost of which is debitable to Elementary Education Funds, other than the part of the Establishment, the cost of which is debitable to General Funds. A copy of Taluk Board resolution is enclosed.

General Funds.

1. Head Clerk 50 – 2 (annual) - 70
2. II Clerk – 40 – 1 (annual) - 50
3. III Clerk – 35 – 1 (annual) 45
Peon – 10 – ½ (do) 15

Elementary Edn: Funds.

One Clerk 35 – 1 (annual) 45
One Clerk 30 – 1 (do) - 40

From the above it would appear that the salaries of two clerks out of the whole Establishment will be debited to Elementary Education Fund from the beginning of the current official year for the work turned out by them under the immediate supervision of the Head Clerk as shown in the list herein enclosed. The amount required will be provided by reappropriation of funds in the revised budget estimates for the current year. I therefore request that you will be so good as to move Government to accord sanction for the above proposal at as early a date as possible.

The Taluk Board has also sanctioned the entertainment of a Supervisor on Rs 40-0-0 with a monthly fixed allowance of Rs 10-0-0

There are 51 Schools under this Taluk Board. They are inspected by the Educational Officers once in a year. Hence the Taluk Board is of opinion that the employment of a supervisor would do better by inspecting the Schools bimonthly or quarterly.

I therefore request that in case the Government approve of the proposal, the entertainment of the supervisor may also be sanctioned

I have the honour to be,

Sir,

Your most obedient servant

Provincial Secretary

President 27/4.

LAW (EDUCATION) Department.

Sir,

In resubmitting herewith the papers referred to me for remarks in Government endorsement No. 1663 A-1, dated 4th May 1926, I have the honour to state that there are 81 schools under the control of the Board. The accommodation provided in the 21 buildings which are owned by the Board is reported to be adequate. The other schools are mostly housed in buildings which are not suitable for school purposes. 26 schools are now held in rented buildings, 2 in temple chavadies and 28 in buildings free of rent at present, but for which rent will have to be paid in future. The equipment of the schools is considered to be on the whole fair. The staff is sufficient in all schools. All the school-less centres will be provided with schools in 1926-27. The financial condition of the Elementary Education Fund

4

under the control of the Taluk Board is only normal. The proposals of the Taluk Board in respect of the entertainment of clerks and supervisors cannot be supported in view of the fact that the total number of schools under the control of the Taluk Board is less than 100. Including the 6 schools sanctioned to be opened with the aid of Provincial funds in 1926-27 the total number will be only 87.

I have the honour to be,
